

Woodshop Tech - Milling Department

Viridian takes amazing wood and makes it into quality paneling and tables, and it all starts in our 50,000 square foot facility where we roll up our sleeves and make it happen.

In this job you will be starting in our Milling department. This position is responsible for using machines that size and shape wood to be used in building tables and paneling.

We will train you in our process and grading, quality and spec control, and we have a formal career path with clear opportunities for skill and pay increases.

RESPONSIBILITIES

- Maintain a safe, clean, and organized work environment at all times.
- Learn to read and understand work orders
- Learn to operate milling equipment
- set-up and run drum sanders/planers
- perform routine maintenance and perform blade replacements
- use calipers to check material dimensions

QUALIFICATIONS

- Committed to safety, cleanliness, and accuracy.
- Conscientious self-starter who can work accurately and independently .
- Quickly learn setup and operation of wood working tools
- Able to follow detailed work instructions and grade wood (we will train you but you, but you will need to prove you can learn and move fast).
- Show you can apply basic math skills, read work orders, and use a tape measure and calipers
- Convert board feet to lineal feet and square feet (using a calculator!)
- Mechanically minded to read and follow written maintenance manuals.
- Our team is fast-paced and high energy – you need to hit the ground running
- Able to lift 50lbs unassisted / 100 lbs team assisted and be on your feet for the shift.

THE BENEFITS

Viridian was voted one of The Oregonian's Top Workplaces in 2019. Some of our favorite company perks include shop time for personal projects, a dog-friendly workplace, monthly lunches, and quarterly celebrations

- \$16-\$18 D.O.E.
- Bonus based on net profit
- Full Time 7:00 AM - 3:30 PM Monday – Friday
- 2 weeks paid time off (2.5 in year 2 and 3 in year 3)
- 7 paid holidays
- Medical, dental and vision insurance
- 4% company-matched 401(k) savings plan
- Listen to your own headphones while working
- Shop time and use of equipment for personal projects
- Monthly happy hours, lunch, quarterly celebrations
- Work on a friendly and diverse team.

Giving new life to old wood takes a lot of creative energy. We love what we do, we work hard, and we have a lot of fun while we do it!
